Thanks to all the hard work of our Corning Community, elementary teachers, elementary students, and many others. We raised \$570.00 with this submission!! We are now looking forward to our next submission. Please help us by sending in your box tops, labels, and (our newest way to earn money for our school) the coke points.

Newest Ways to Earn

We have started collecting Coke points to earn products for our school. You can do these two different ways; you can send them to the school or you can go Cokerewards.com and enter your points and then donate them to Corning Community Schools. With this little effort you are helping every student in our Elementary!

Fundraising Updates

We are still working toward our \$4,000 goal for our ELMO's. We raised almost \$500 with our leaf fundraiser and now we are working on reaching further toward that goal by having a Spring Fever Event.

Spring Fever Event

The PTO will host two events wrapped up in one day! Saturday, April 17th, we will be hosting a scrapbooking event in our elementary gym. The signup sheet and flyer will come home in the Thursday communication envelopes. Look for those to come home soon! For those that don't scrapbook, the PTO also will be holding a shopping spree day. Many different vendors will be set up in the gym. Come check out all the newest spring merchandise, get your before summer look, and take in a day of relaxation!

The People Behind the Scenes

Jo Drake

I wanted to thank the entire behind the scenes ladies that make things happen in our Parent Teacher Organization. If you see one of these amazing women, please take the time to thank them. These ladies really do put a lot of time and dedication in our Elementary School!

These ladies are amazing women that work many hours. Most have children/grandchildren, and then find the time to give a little more to the children in our community. So please, thank them!

Ready to Get Involved

There are many ways to be involved in your child's education. If you are interested in being involved through the PTO, please join us at our next meeting April 1st in the Corning Elementary art room from 5:30-6:00. We try to keep the length of our meetings to a half hour time frame. If you're worried about what to do with your children, they are more than welcome to come along with you. We have many different committees that you could become a part of. Want more information? Please contact the school at 641/322-4020 or you can contact PTO President, Jo Drake either by calling her at 641/322-3716 or emailing her at jdrake@corning.k12.ia.us. She would love to speak with you about any of your questions, concerns, or ideas.
