Corning Parents and Students

I am writing you this note to let you know of a change in the school lunch prices for the school district. At the September school board meeting the board approved raising all student lunch prices by \$0.05. These changes will go into effect on November 15, 2011. This is not something the board wanted to do, but it is something the board had to do to remain eligible for free/reduce lunch funding from the government. If the board had not passed the change in price the district would have lost all of the funding that they receive for students on free/reduced prices. This money amounts to about \$10,800.00 per month and \$97,000.00 for the school year.

Student Lunch Prices	Currently	November 15
Elementary	\$1.40	\$1.45
JR/SR High School	\$1.55	\$1.60

I apologize for the increase mid-year. The State has encouraged us to raise the prices over the past several years and now they are making us by taking funding away. I was trying to postpone the increase until next year, but State School Lunch Program would not allow us to postpone it anymore.

Sincerely,

William Stone
